Verse One:

Who shot ya?
Seperate the weak from the ob-solete
Leap hard to creep them Brooklyn streets
It's on nigga, fuck all that bickering beef
I can hear sweat trickling down your cheek
Your heartbeat soun like Sasquatch feet
Thundering, shaking the concrete
Finish it, stop, when I foil the plot
Neighbors call the cops said they heard mad shots
Saw me in the drop, three in the corner

Slaughter, electrical tape around your daughter
Old school new school need to learn thow

I burn baby burn like Disco Inferno
Burn slow like blunts with ya-yo
Peel more skins than Idaho potato
Niggaz know, the lyrics molestin is takin place
Fuckin with B.I.G. it ain't safe
I make your skin chafe, rashes on the masses
Bumps and bruises, blunts and Landcruisers
Big Poppa smash fools, bash fools
Niggaz mad because I know that Cash Rules
Everything Around Me, two glock nines
Any motherfucker whispering about mines
And I'm, Crooklyn's finest
You rewind this, Bad Boy's behind this
