I welcome you back into my feet  
My spirit  
Loving spirit

I welcome you back into my hands  
My spirit  
Frustrated spirit

I welcome you back into my heart  
My spirit  
Nourishing spirit

I welcome you back into my legs  
My spirit  
All loving spirit

Aren't we all children

I welcome you back into my ears  
My spirit  
Vibrating spirit

I welcome you right into my head  
My spirit  
Strengthening spirit

Aren't we all children

I welcome you back into my feet  
My spirit  
Loving spirit

I welcome you back into my hands  
My spirit  
Frustrated spirit

I welcome you back into my ears  
My spirit  
Vibrating spirit

I welcome you right into my head

My spirit  
Strengthening spirit
