One, two, three, four

I just want to celebrate another day of livin'

I just want to celebrate another day of life

I put my faith in the people

But the people let me down

So I turned the other way

And I carry on, anyhow

That's why I'm telling you

I just want to celebrate, yeah, yeah

Another day of living, yeah

I just want to celebrate another day of life

Had my head on the dollar bill

But the dollar bill flew away

But the sun is shining down on me

And it's here to stay

That's why I'm telling you

I just want to celebrate, yeah, yeah

Another day of living, yeah

I just want to celebrate another day of livin'

I just want to celebrate another day of life

Don't let it all get you down, no, no

Don't let it turn you around and around and around and around and around

Well, I can't be bothered with sorrow

And I can't be bothered with hate, no, no

I'm using up the time but feeling fine, every day

That's why I'm telling you I just want to celebrate

Oh, yeah

I just want to celebrate another day

Oh, I just want to celebrate another day of livin'

I just want to celebrate another day of life

Don't let it all get you down, no, no

Don't let it turn you around and around, etc.

Round, round, round, etc.

Don't go round

I just want to celebrate
I just want to celebrate
Well, I just want to celebrate
Said I just want to celebrate (celebrate)
I just want to celebrate (I want to celebrate)
I just want to celebrate (I got to celebrate)
I just want to celebrate
