La lalala lala lalala lala  
La lalala lala lalala lala  
The night I laid my eyes on you,  
Felt everything around me move  
Got nervous when you looked my way  
But you knew all the words to say.  
Then your love slowly moved right in  
All this time all my love where you been.  
Me, amore don't you know  
My love I want you so  
Sugar you make my soul complete  
Rapture tastes so sweet.  
Mesmerised in every way  
Keep me in a state of daze  
Your kisses make my skin feel weak  
Always melting in your heat.  
Then I soar like a bird in the wind  
Oh I glide as I'm flying through heaven.  
Me, amore don't you know  
My love I want you so  
Sugar you make my soul complete  
Rapture tastes so sweet.  
Me, amore don't you know  
My love I want you so  
Sugar you make my soul complete  
Rapture tastes so sweet  
La lalala lala lalala lala  
La lalala lala lalala lala  
Me, amore don't you know  
My love I want you so  
Sugar you make my soul complete  
Rapture tastes so sweet.  
Me, amore don't you know  
My love I want you so  
Sugar you make my soul complete  
Rapture tastes so sweet.  
La lalala lala lalala lala  
La lalala lala lalala lala
