La  
La la la la la la  
La la la la la la

The night I laid my eyes on you  
I felt everything around me move  
Got nervous when you looked my way  
But you knew all the words to say

And your love slowly moved right in  
All this time, oh my love, where you been

\*\* Please  
I'm moaning don't you know  
My love I want you so  
Sugar  
You make my soul complete  
Rapture tastes so sweet  
I'm mesmerised in every way  
You keep in a state of daze  
Your kisses make my skin feel weak  
Always nothing in your heat

Lift our souls like a bird in the wind  
Oh I glide like I'm flying through heaven
