LOUVIN, I. / LOUVIN, C.

In that land across the sea there's a job for you and me  
Though our presence there may not be found  
We must stay standing there on the battle lines and  
pray  
We must never lay our weapons down  
We don't have to be a soldier in a uniform  
To be of service over there  
While the boys so bravely stand with the weapons  
made by hand  
Let us trust and use the weapon of prayer  
Many thousands miles away someone shed there blood  
today  
With a heart so true and brave they're gone  
To a war that's yours and mine let us join the battle line  
With a weapon that will save our home  
We don't have to be a soldier in a uniform  
To be of service over there  
While the boys so bravely stand with the weapons  
made by hand  
Let us trust and use the weapon of prayer  
And when the planes and tanks and guns have done all  
that they can do  
And the mighty bombs have rained and failed  
Still the helpful hand above, on the weapon made of  
love  
And against him none on earth prevail
