My love,tell me what it's all about
You've got something that I can't live without
Happiness is so hard to find
Hey baby,tell me what is one your mind

Cuz baby,I can't wait (baby I can't wait)
til you call me on the telephone
I can't wait (baby I can't wait) til we're all alone (I can't
wait)

You know I love ya,even when you don't try
I know that our love will never die
Hey darlin,when you look into my eyes
Please tell me you'll never have to say goodbye

Coz I can't wait (baby I can't wait) this is what I've been
waiting for
I can't wait (baby I can't wait) till my love walked in the
door
I can't wait (baby I can't wait) true love is so hard to find
I found yours, you found mine
I can't wait (baby I can't wait) tell me what is on your
mind
Got to let you know

I can't wait (baby I can't wait) till you call me on the
telephone
I can't wait (baby I can't wait) till we're all alone
Oh oh I can't wait (baby I can't wait) true love is so hard
to find
I found yours, you found mine
I can't wait (baby I can't wait) tell me what is on your
mind
No, no, I can't wait (baby I can't wait)
No, I can't wait (baby I can't wait)
Say it one more time
Oh I can't wait (baby I can't wait) this is what I've been
waiting for
Oh I can't wait (baby I can't wait) till my love walked in
the door
(fade)
