Drift away

Day after day I'm more confused  
But I look for the light thru the pourin' rain  
You know that's a game that I hate to lose  
I'm feelin' the strain  
Ain't it a shame-oh

Give me the beat boys and free my soul  
I want to get lost in the rock and roll  
And drift away  
Give me the beat boys and free my soul  
I want to get lost in the rock and roll  
And drift away

Beginnin' to think that I'm wasting time  
>br> and I don't  
understand the things  
I do  
The world outside looks so unkind  
I'm counting on you

To carry me thru-oh

Chorus

When my mind is free  
You know a melody can move me  
And when I'm feelin' blue  
The guitar's comin' thru to soothe me

Thanks for the joy that you've given me  
I want you to know I believe in the song  
And rhythm and rhyme and harmony  
You helped me along  
You're makin' me strong

Chorus
