Come with me, come with me
And we shall run across the sky
Illuminate the night
Oh, I will try and guide you
To better times and brighter days
Don't be afraid to go...

Chorus:

Up the ladder to the roof
Where we can see heaven much better
Up the ladder to the roof
We can be closer to heaven

Stay with me, stay with me, stay with me
And we shall let expression ring
Hear freedom in our singin'
Whoa, memories of broken dreams
Don't you know, don't you know
They'll all fade away
If you go...

Chorus

Relax, I'll tell you the story of love
How it is, the happiness in it baby
We'll combine our thoughts and together we'll travel
To the fountain of loveliness
I will never never ever leave you alone to wander honey
If you go along our love is gonna grow much stronger,
so much stronger
Don't you wanna go, don't you wanna go, don't you
wanna go, don't you wanna go...

Chorus

Whoa, up the, up the, up the, up the ladder to heaven
Come on and go up the ladder to heaven
Come on and go up the ladder to heaven
