What does christmas mean to me, is it more than just a
christmas tree
And lights and fancy decorations or a time for
celebration
What does christmas mean to me, fresh fallin' snow, a
symphony
Or a newborn babe in bethlehem, three wise men
beside the lamb
What does christmas mean, is it just a dream
Oh God I hope you hear my plea 'cause it means so
much to me
Why did that star shine oh so bright and angels sing all
through the night
What do they mean a saviour's born, what miracle
happened on that morn

What does christmas mean, is it just a dream
Oh God I hope you hear my plea 'cause it means so
much to me
(I'll tell you what it means to me, show you what it how it
feels to see the light shine down on me)

Oh santa when you come to call, bring joy and
blessings for us all
For the mystery of that birth, but most of all bring
peace on earth
What does christmas mean, is it just a dream
Oh god, I hope you hear my plea 'cause it means so
much to me
