### "Numai Tu"

Visit "[Numai Tu](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Sa nu ma-ntrebi de ce  
Lumea din jur nu mai e,  
In mintea mea acum  
Traiesti doar tu.  
In iernile tarzii, eu te voi incalzi  
Iti voi sopti:  
"Viata mea esti numai tu!"

Pana-n zori sa ramanem,  
Sa gustam din dulceata,  
Sa te-ntreb cu privirea,  
Sa-mi raspunzi cu iubirea  
Iar cand ne vom trezi  
Iti voi reaminti,  
Ca pentru mine esti  
Numai tu.

[Refren:]  
Numai tu,  
Inima mi-o frangi, doar tu  
Numai tu.  
Tu, doar tu, numai tu.

Atinge-ma usor,  
Sa simt ca explodez, ca mor.  
Si-apoi sa-mi spui  
Ca-n gandul tau sunt numai eu.

Sa adormim cu greu  
Si-n somn sa spui numele meu,  
Iar in visul tau,  
Voi veni si vei sti ca esti doar tu.

Pana-n zori sa ramanem,  
Sa gustam din dulceata,  
Sa te-ntreb cu privirea,  
Sa-mi raspunzi cu iubirea  
Iar cand ne vom trezi  
Iti voi reaminti  
Ca pentru mine esti  
Numai tu.

[Refren:]  
Numai tu,  
Inima mi-o frangi, doar tu  
Numai tu.  
Tu, doar tu, numai tu.

[English translation:]

Don't ask me  
Why the world around doesn't exist anymore...  
In my mind right now  
There is only you  
In the late winters  
I will keep you warm  
And I will whisper to you:  
"My life means only u"

Let's stay till early morning  
To taste the sweetness  
Let me ask you with my eyes  
And you answer with your love  
And when we'll wake up  
And this will wake up  
I will remind you  
That there is ONLY YOU for me

[Chorus:]  
ONLY YOU  
You are the only one that breaks my heart  
ONLY YOU  
ONLY YOU  
ONLY YOU  
You are the only one that breaks my heart  
ONLY YOU  
ONLY YOU

Show me easy  
How is to express amor(iubirea)simply  
And tell me that  
In your thoughts only I AM

Touch me slowly  
And make me feel I'm gonna explode and die  
And then tell me  
That in your thoughts there is only me

Let's fall asleep slowly  
And you whisper my name in your sleep  
And in your dream I will come  
And you'll know that there is only you

Let's stay till early morning  
To taste the sweetness  
Let me ask you with my eyes  
And you answer with your love  
And when we'll wake up  
And this will wake up  
I will remind you  
That there is ONLY YOU for me

Chorus:]  
ONLY YOU  
You are the only one that breaks my heart  
ONLY YOU  
ONLY YOU  
ONLY YOU  
You are the only one that breaks my heart  
ONLY YOU  
ONLY YOU
