I felt so introspective tonight  
Thinkin' ahead about my final hindsight  
Did I make every moment count  
How much did I sit about  
Doin' not the good I know to do

#### CHORUS

What will I say when I'm faced with His glory  
the saints and the angels as I tell my story  
Will the works I've accomplished be worthy of Heaven  
What will I think lookin' back  
What was gold what was dross  
What was gain and what was loss  
What will stand and what was fleeting  
And what will I change while my hearts still beating

20/20(x3)

So many thoughts fill up my mind  
Look inside the Word and I can't find  
The promise of another day  
Or how much longer I will stay  
No one really knows how long they have

What will I say when I'm faced with His glory  
the saints and the angels as I tell my story  
Will the works I've accomplished be worthy of Heaven  
What will I think lookin' back  
What was gold what was dross  
What was gain and what was loss  
What will stand and what was fleeting  
And what will I change while my hearts still beating

20/20(x3)

#### (INSTUMENTAL BRIDGE)

What will I say when I'm faced with His glory  
the saints and the angels as I tell my story  
Will the works I've accomplished be worthy of Heaven  
What will I think lookin' back

What was gold what was dross  
What was gain and what was loss  
What will stand and what was fleeting  
And what will I change while my hearts still beating
