Well I'm as ugly as sin, that is to say I'm not good  
lookin'  
But I can bust some ska, in fact the rhythm rhyme is  
cookin'  
Brighten up your soul and loosen up your brain  
Make my heartbeat all fast like the girl from plain Jane  
Now please allow me to proceed and bust my rude boy  
flow  
On the underground scene at the underground show  
Grownups, kids and inbetweens I guess it takes all  
kinds  
'Cause I guess we got true love, my blood, my blood  
true love is blind  
One purpose is to worship and to make the body strong  
I don't care about your haircut, can't we all just get  
along?  
Not just get along, but to really love and care  
If your eyes are on the Lord you can't see nobody's hair

Adonai Adonai!

Well I don't claim to be a rhymin' apparatus  
I don't want to be a gangster, I don't want to be the  
baddest  
I ain't no Al Pacino and I ain't no Al Capone  
I'm just a rude boy with a new toy  
Add two speakers and a microphone  
So listen up, listen up and make sure that you can hear  
me  
I'm your brother and I'm your friend so come on and  
get near me  
I'm a sinner just like all of you don't make me into an  
idol  
I'm a preacher, I'm a saint and sinner, guess I fit the  
titles  
Gotta keep a humble heart, because my good is not  
enough  
Jehova Jireh gotta give the glory up up up  
To Y'shua me salvitore  
Gotta give you all the glory God, I give you all my fears  
God I give you all my years

You're my God and I will bow, I'll show all the proud  
people how  
You're my God and I will bow, in fact I think I'll bow right  
now  
Adonai Adonai!
