Five A.M.
On tuesday
Why am I up so Early?
Drive out to
Santa Ana
'Cause I've got Jury Duty
No Breakfast
Short temper
And I cut My head shaving
10 miles out
I hit traffic
Some days just not worth saving

And though i haven't had the best of days (woa--)
But I want to stop and thank you anyway

At the courthouse
I waited
And waited, then I waited
At lunchtime
My car stalled out
I couldn't get it started
Had a book by C.S. Lewis
I finished the last page
Slept on my desk 3 hours
Just like my High School days and

You know I haven't had the best of days (woa--)
But I want to stop and thank you anyway
(chorous)

{CHOROUS}
'Cause every single moment when I sleep
And you're awake Is your creation
And what you made is good
I don't always thank you for the rough days
And the hard times in my life,
Even though I should

I got home and
Decided

I'd be in a bad mood and
My shy and quiet wife said she
Didn't like my attitude
Got a call from
My mother
Forgot my sister's birthday
I'm a lousy older brother
Safe to say I had a bad day

I know I haven't had the best of days (woa--)
But i want to stop and thank you anyway
(chorous)
