This is a time for us to demonstrate our appreciation  
Amazing grace and sweet salvation  
I can't pay You back, My Lord, so I won't even try  
I will give You I and I  
You know when I'm standin' up and when I'm falling  
down  
Amazing grace, how sweet thy sound  
You know if I'm hungry, tired, or feeling kind of low  
Why you care, I just don't know.

I cast all my life and all my cares  
And everything on You  
He cares for you like no one else  
He cares for you like no one else  
He cares for you like no one else  
He cares for you like no one else

This is a time for us to celebrate our emancipation  
Voices ring across the nations  
There will never be another there has never been  
Helpless and You took us in  
Because of Jesus Christ, we know salvation is secure  
I don't worry anymore  
Who can give You council, Lord?  
And who can search Your mind?  
You're before me and behind.

I cast all my life and all my cares  
And everything on You  
He cares for you like no one else  
He cares for you like no one else  
He cares for you like no one else  
He cares for you like no one else

Every time I shed a tear IT MATTERS IT MATTERS  
Every time I'm cold with fear IT MATTERS IT MATTERS  
When I got a broken heart IT MATTERS IT MATTERS  
Every time I fall apart IT MATTERS IT MATTERS  
When I think I'm all alone  
On the road or when at home  
Every time I have to sneeze

Every single breath I breathe  
When I'm in a dentist's chair IT MATTERS IT MATTERS  
Anywhere and every where IT MATTERS IT MATTERS

He cares for you like no one else!  
He cares for you like no one else  
He cares for you like no one else  
He cares for you like no one else
