Oi  
Oi Oi  
Oi Oi Oi  
Oi Oi Oi Oi Oi Oi

Pick it up

Keep both my eyes transfixed on the prize  
The high-rise and the blue sky - my piece of the pie  
There's a hole in my heart that I know how to fill  
That's to light my cigarettes with a one hundred-dollar  
bill  
It's all about cashflow, the California dream  
To make the grade, you gotta make the green  
I'm burnin out my champion, got no time for losers  
Never ask for nothin', 'cause beggars can't be  
choosers

Lookin' out for number one's a full-time occupation  
I give to me myself and I'm my own salvation  
Some people try to tell me God can save me from my  
sin  
Well, God can take a number and I'll pencil him in  
Busy, oh so busy, I got no time to search  
My Sunday's are all booked, I got no time for church  
That's for this poor soul's as dry as a stone  
God bless this child, 'cause this child's "got his own"

Oh, let my pride fall down  
I'm a little man  
Oh, let my pride fall down  
I'm a little man

He who gets the most toys and dies is the winner  
I'm living the high life with lobster tail dinners  
My Lexxus, my yacht, my gold- chastened rings  
These are a few of my favorite things  
But most of all I keep my billfold the closest to my heart  
House decorated with million-dollar works of art  
Roll with the big-wigs, they think I'm the man  
But then I stop and look and think about how big I really

am

Oh, let my pride fall down  
I'm a little man  
Oh, let my pride fall down  
I'm a little man  
Oh, let my pride fall down  
I'm a little man  
Oh, let my pride fall down  
I'm a little man

Mammon is an unforgiving god I cast him away  
I live my life to God, not to get paid  
Money can never save soul and I don't think I can  
I look to God and I feel like a little man

Oh, let my pride fall down  
I'm a little man  
Oh, let my pride fall down  
I'm a little man  
Oh, let my pride fall down  
I'm a little man  
Oh, let my pride fall down  
I'm a little man
