All down the AM and all up the FM dail  
Tired of hearin' songs about nothin at all  
Beauty thats skin deep  
Love that comes so cheap  
They're singing so pretty 'bout nothin' at all  
All day long I hear the same 5 songs and the words go  
"Blah Blah Blah"

#### CHORUS

The radio plays a whole lot of nothin  
Wish that they'd play a song about somethin  
Cause all that you hear is so insincere  
But its comin in crystal clear

Perfect production without interuption  
And everybody loves it 'cause it sounds so sweet  
They glorify sin  
They sell sex and then,  
They all say "Jesus" in their thank you speech  
All day long I hear the same 5 songs and the words go  
"Blah Blah Blah"

#### CHORUS

The radio plays a whole lot of nothin  
Wish that they'd play a song about somethin  
Cause all that you hear is so insincere  
But its comin in crystal clear

God gave us music so we should use it  
to sing with all our heart about the way you feel  
Sing about love or whatever you think of  
It doesnt really matter Just make it real  
'Cause all day long I hear the same 5 songs and the  
words go "Blah Blah Blah"

#### CHORUS

The radio plays a whole lot of nothin  
Wish that they'd play a song about somethin  
Cause all that you hear is so insincere  
But its comin in crystal clear  
It's comin in crystal, crystal,

So loud and clear
