Well I messed up. I feel like I can't even lift my eyes up.
I'm covered in the stain that I'm ashamed of.
The way I take advantage of your love.
And I'm terrified to stand before your throne with blood
on my hands.
I realize it's only by your blood that I can.

I knew that this is where I'd find you.
I don't have to remind you of all the times I failed you.
I knew that this is where I'd find you.
So this where I've come to, there's nothing else I can
do.

I'm confessing I'm up to my ears in transgression.
Is this the way I thank you for a blessing.
I know it's hard to tell but I am trying.
So here I am with nothing to say for myself.
Once again to plead the blood and nothing else.

I knew that this is where I'd find you.
I don't have to remind you of all the times I failed you.
I knew that this is where I'd find you.
So this where I've come to, there's nothing else I can
do. (3x)
