When I get tired and a little lonely
The world's turned its cold back on me
When I'm about the swear
I ain't got a friend left to my name
Instead of sinkin' a little lower
I start makin' tracks on over
To a place where the sun shines
Day and night and I know I'll hear you say
Come on in, baby take your coat off
Come on in, baby take a load off
Come on in, baby shake the blues off
I'm gonna love that frown away
Come on in, baby put a smile on
Come on in, baby tell me what's wrong
Come on in, the blues will be long gone
I'm gonna love your hurtin' away.
When I feel a lonesome night comin' on
Everything I did all day went wrong
There's a black cloud followin' me
Around and I just can't get away
Instead of sinkin' a little lower

I start makin' tracks on over
To a place wher ethe sun shines
Day and night and I know I'll hear you say
Come on in, baby take your coat off
Come on in, baby take a load off
Come on in, baby shake the blues off
I'm gonna love that frown away
Come on in, baby put a smile on
Come on in, baby tell me what's wrong
Come on in, the blues will be long gone
I'm gonna love your hurtin' away.
Come on in, baby take your coat off
Come on in, baby take a load off
Come on in, baby shake the blues off
I'm gonna love that frown away
Come on in, baby put a smile on
Come on in, baby tell me what's wrong
Come on in, the blues will be long gone
I'm gonna love your hurtin' away.
Come on in, baby take your coat off
Come on in, baby take a load off
Come on in, baby shake the blues off
I'm gonna love that frown away
Come on in, baby put a smile on
Come on in, baby tell me what's wrong

Come on in, the blues will be long gone

I'm gonna love your hurtin' away.

Come on in, baby take your coat off

Come on in, baby take a load off

Come on in, baby shake the blues off

I'm gonna love that frown away

Come on in, baby put a smile on

Come on in, baby tell me what's wrong...
