Can't you feel it in your bones?  
A change is coming on  
From every walk of life  
People seeing the light

Can't you feel it in your heart now?  
A new thing is taking shape  
Reach out and touch a hand  
Make a friend if you can

Reach out and touch a hand  
Make a friend if you can  
Reach out and touch a hand  
Make a friend if you can

I've read about you my friend  
Ain't it time that you come on in?  
We can find a better way  
Why don't you join us today?

Can't you feel it in your heart now?  
A new thing is taking shape  
Reach out and touch a hand  
Make a friend if you can

Reach out and touch a hand  
Make a friend if you can  
Reach out and touch a hand  
Make a friend if you can

It's been reflected in the attitude  
Of other people just like you  
Reach out and touch a hand  
And make a friend if you can

Can't you feel it in your heart now?  
A new thing is taking shape  
Reach out and touch a hand  
Make a friend if you can

Reach out and touch a hand

Make a friend if you can  
Reach out and touch a hand  
Make a friend if you can

Reach out and touch a hand  
Make a friend if you can  
Reach out and touch a hand  
Make a friend if you can
