Now you've caught her  
Whatcha gonna do  
Now you've got her  
Don't you really think that you oughta  
Buy a little ring and put it on her finger  
If you're gonna keep her  
Gonna have to dig a little deeper  
Now it's either all or a nothin'  
You better do somethin'  
Whatcha gonna, whatcha whatcha gonna gonna do  
Now you've caught her

So I bought her  
One little drink then I asked her  
For one little dance then I kissed her  
The next thing I knew she was giving me her number  
Now there's some frilly things  
Hanging from the shower at my place  
We're sharing a bed and a toothpaste  
Her daddy's on the phone saying  
Whatcha gonna, whatcha whatcha gonna gonna do

Now you've caught her  
Whatcha gonna do  
Now you've got her  
Don't you really think that you oughta  
Buy a little ring and put it on her finger  
If you're gonna keep her  
Gonna have to dig a little deeper  
Now it's either all or a nothin'  
You better do somethin'  
Whatcha gonna, whatcha whatcha gonna gonna do

I love her, I need her  
I never ever wanna be with anyone else  
So there's only one question  
To ask myself

Now you've caught her  
Whatcha gonna do  
Now you've got her

Don't you really think that you oughta  
Buy a little ring and put it on her finger  
If you're gonna keep her  
Gonna have to dig a little deeper  
Now it's either all or a nothin'  
You better do somethin'  
Whatcha gonna, whatcha whatcha gonna gonna do  
Now you've caught her  
Whatcha gonna do  
Now you've got her  
Don't you really think that you oughta  
Buy a little ring and put it on her finger  
If you're gonna keep her  
Gonna have to dig a little deeper  
Now it's either all or a nothin'  
You better do somethin'  
Whatcha gonna, whatcha whatcha gonna gonna do  
Whatcha gonna, whatcha whatcha gonna gonna do  
Now you've caught her
