Mommy doesn't have a head any more  
Keep it underneath my bed on the floor  
Well thats alright, man thats OK  
She never really used her head anyway

Daddy called me a stupid boy  
Bet he wont say that any more  
Cause the way his body is severed too  
His vocal cords are gonna be hard to use

Beheaded, watch him squirt like a garden hose  
Beheaded, bloody mess all over my clothes

Watch my girl friend come to the door  
Chop off her head, she falls to the floor  
Now watching my baby's jugular blow  
Really makes my motor go

Wrap a towel round the bloody stump  
Take my baby's body to the city dump  
Then wipe the mess off the bloody axe  
Scoop all the feads into my pull-up sack

Beheaded, watch her squirt like a garden hose  
Beheaded, bloody mess all over my clothes  
/]

All my collection, adorns my room on bedroom polls  
Use to be a little, but a little got more and more  
Now I'm craving yours

Night brings bad dreams, bad dreams and guillotines  
Night brings bad dreams, bad dreams and guillotines

Off with her head  
Off with her head  
Off with her head  
Off with her head  
Off with her head  
Off with her head

Find another victim for my machine  
Put 'em in a home-made guillotine  
Blade falls, gonna need a casket  
Watch your head plop in a wicker basket

Leave the house at a quarter to four  
Come back with sixteen or more  
Cause the more I walk, the more I see  
I got a funny feeling coming over me

Beheaded, watch you squirt like a garden hose  
Beheaded, bloody mess all over my clothes
