You gotta keep'm separated

They're like the latest fashion

They're like a spreading disease

The kids are strappin' on their way to the classroom

Getting weapons with the greatest of ease

The gangs stake out campus locale

And if they catch you slippin' then it's all over pal

If one guy's colors and the other's don't mix

They're gonna bash it up

Bash it up x3

Hey, man you talkin' back to me

Take him out

You gotta keep'em separated

Hey, man you disrespecting me

take him out

You gotta keep'em separated

Hey, they don't pay no mind

If you're under 18 you won't be doing any time

Hey, come out and play

By the time you hear the siren

It's already too late

One goes to the morgue and the other jail

One guy's wasted and the other's a waste

It goes down the same as the thousand before

No one's getting smarter

No one's learning the score

Your never ending spree of death and violence and hate

Is gonna tie your own rope

Tie your own rope

Tie your own

Hey, man you disrespecting me
take him out

You gotta keeep'em separated
Hey, man you talkin' back to me
take him out

You gotta keep'em separated
Hey, don't pay no mind
If you're under 18 you won't be doing any time
Hey, come out and play

It goes down the same as the thousand before
No one's getting smarter
No one's learning the score
Your never ending spree of death and violence and hate
Is gonna tie your own rope
Tie your own rope
Tie your own

Hey, man you talkin' back to me
take him out

You gotta keep'em separated
Hey, man you disrespecting me
take him out

You gotta keeep'em separated
Hey, don't pay no mind
If your under 18 you won't be doing any time
Hey, come out and play
