I don't wanna fuck with Da Hui
I don't wanna fuck with Da Hui
I don't wanna fuck with Da Hui
Because Da Hui will fuck with me

I don't wanna take up on Da Hui
I don't wanna take up on Da Hui
I don't wanna take up on Da Hui
Because Da Hui will fuck with me

Hollywood whore, that's all I'll ever be
I'm not a part of the natural society
Stuck on the shoulder that's why they follow me
Digging for scraps where the guilty lie

I don't wanna park into Da Hui
I don't wanna park into Da Hui
I don't wanna park into Da Hui
Because I don't really feel comfortable

Hollywood whore, that's all I'll ever be
I'm not a part of the natural royalty
Stuck on the shoulder, I'm not complaining
Digging for scraps on (?) line

Hollywood whore, that's all I'll ever be
I'm not a part of the natural society
Stuck on the shoulder that's where you'll find me
Digging for scraps where the guilty lie

Don't fuck with Da Hui
Don't fuck with Da Hui
Don't fuck with Da Hui
Because Da Hui will fuck with you
