Denial, Revisited So here we go Having the same old
fight again There she goes Same old game that never
ends If I could say The right words I know I could make
you stay If I could say The right words Things would
work out all right And if you go I won't believe That it's
forever And you can go But I'll never leave Cause it's
not over Replay last night Talking it out don't make it
right I know she's tried, but my whole world Is her and
all we've got now And if you go I won't believe That it's
forever I won't let go Even if she say that it's over I
know it'll be Different this time If you'd just stay And
when we wrote this story How did it end? It was you and
me for all our lives Come on, dont say it We'll try again
And if I'd just hold you We could last But she stands
softly Tears down her face Hitting me, oh god This is
the end I'd wait here for But there's nothing more now I
can do How did you know How did you know How did
you know Finally Denial, Revisited So here we go
Having the same old fight again There she goes Same
old game that never ends If I could say The right words
I know I could make you stay If I could say The right
words Things would work out all right And if you go I
won't believe That it's forever And you can go But I'll
never leave Cause it's not over Replay last night
Talking it out don't make it right I know she's tried, but
my whole world Is her and all we've got now And if you
go I won't believe T
