Weren't you the light  
It won't save you tonight  
All our lesson is?  
Pictures lost in time  
Never enough, towers crumble to dust  
Looking back on the moments of our lives

All your anger, all your hurt  
It doesn't matter in the end  
Those days go by and we all start again  
What you had and what you lost  
They're all memories in the wind  
Those days go by and we all start again

Stars still burn bright, seasons change over night  
As we find a way, the times they come and go  
Look back in love, a new day rises above  
With no end it comes, to carry you back home

All your anger, all your hurt  
It doesn't matter in the end  
Those days go by and we all start again  
What you had and what you lost  
They're all memories in the wind  
Those days go by and we all start again

Oh, oh days go by

All your anger, all your hurt  
It doesn't matter in the end  
Those days go by and we all start again  
What you had and what you lost  
They're all memories in the wind  
Those days go by and we all start again

What you had, what you lost

What you had, what you lost

Those days go by

Those days go by

Those days go by
