Jennifer lost the war today
you'll find her burnt and raped
Through it all she must have wondered
what have I done
But nobody really cares today
the world's a busy place
Guess she must've really sinned now
(Really sinned now)

I guess we're all just soldiers
She was only six years old
Left to die by strangers
Her family waits
And if we're all just soldiers
is it so wrong to be afraid?

Jennifer lost the war

Phoebe lost the war today
there must be some mistake
Say it happens all the time
and it's said and done
Little Miss 1565 Your soul remains unclaimed
Guess you must've really sinned now
(Really sinned now)

Morality won't help her
When she lies silent in a morgue
And all our sorrows just don't count at all
But will the morning headlines
Even say that it's a shame
What are we headin' for

Jennifer lost the war

Seen it all before
Silent on the ground
as he's walking away
And I wonder how many more
everybody take it
like it's nothin' at all

Jennifer lost (,lost ,lost ,lost) the war

I guess we're all just soldiers
She was only six years old
Left to die by strangers
Her family waits
But will the morning headlines
Even say that it's a shame
What are we headin' for?
