tiki tiki tiki tiki tiki,
waddup holmes? you hijo de puta! pendejo! cabron
tiki tiki tiki tiki tiki,
waddup holmes?
shoot them in the back when the beat, beat on

tiki tiki tiki tiki tiki,
waddup holmes? you hijo de puta! pendejo! cabron
tiki tiki tiki tiki tiki,
waddup holmes?
shoot them in the back when the beat, beat on

one shot gonna make it alright
i will seek guns gonna come out tonight
me and .. coming, cause
2 in the front seat and 2 in the back
and nothing good gonna come out of that
they live in fast and slow

tiki tiki tiki tiki tiki,
waddup holmes? you hijo de puta! pendejo! cabron
tiki tiki tiki tiki tiki,
waddup holmes?
shoot them in the back when the beat, beat on

one shot gonna make it alright
i will seek guns gonna come out tonight
take a look at that fire gun, dios!
2 in the front seat and 2 in the back

and nothing good gonna come out of that
they live in fast and rolling slow

tiki tiki tiki tiki tiki,
waddup holmes? you hijo de puta! pendejo! cabron
tiki tiki tiki tiki tiki,
waddup holmes?
shoot them in the back, i shoot them in the back

follow me to a bottomless sea
come back on top of the trees

taking night where the sun shines bright
the â€¦ is gonna turn out tonight
just be a

i got to say what you are thinking
you've got to have it all day long
god's gift you take it without blinking
what was your sword is now your soul

tiki tiki tiki tiki tiki,
waddup holmes? you hijo de puta! pendejo! cabron
tiki tiki tiki tiki tiki,
waddup holmes?
shoot them in the back, i shoot them in the back

i'm going, i'm going down down
i'm going down, down, down.
