You can do it!
Until the break of dawn
Life, Life, Cannot go by the letter
Time, Time, Prozac can make it better
Noise, Noise, any kind will do
Can you feel it slip away, well it's all on you

Crime, Crime, rockin' like Janet Reno
Time, Time, 18 and life in Chino
Freud, Freud, all alone it's true
Well, you see the common day catches up to you
Yeah

Knock down the walls
It's alive in you
Knock down the place
You alone it's true
Knock down the walls
It's alive in you
You're gonna keep your head up through it all
You're gonna bust out, oh yeah!
Original Prankster
Break out, yeah!
Original yeah
Bust out, oh yeah!
Original Prankster
You'll never stop now, stop now
That's what the main men say

You can do it!

You know it smells like shit, goddamn
Tag team, the double header
Son of Sam, fire always makes it better
Navigate with style and aplomb

'Cos wherever you're at it's the tip yours on
Lies, Lies, says he's down at the Bahamas
Tries, Tries, bangin' little hoochie mamas
No way, none of this is true
When you see it coming down when the joke's on
You

Knock down the walls
It's alive in you
Knock down the place
You alone it's true
Knock down the walls
It's alive in you
You're gonna keep your head up through it all
You're gonna bust out, oh yeah!
Original Prankster
Break out, yeah!
Original yeah
Bust out, oh yeah!
Original Prankster
You'll never stop now, stop now
That's what the main men say

Hey!
You can do it!
Dime, Dime, so cool to see ya
Nine, Nine, don't wanna be ya
Dime, Dime, so cool to see ya
Nine, Nine, don't wanna be ya
Crime, Crime, fine sensamilla
Crime, Crime, fine sensamilla
Crime, Crime, fine sensamilla
You'll see the common day catching up to you

Knock down the walls
It's alive in you
Knock down the place
You alone it's true
Knock down the walls
It's alive in you
You're gonna keep your head up through it all
You're gonna bust out, oh yeah!
Original Prankster
Break out, yeah!

Original yeah
Bust out, oh yeah!
Original Prankster
You'll never stop now, stop now
Stop now, stop now
That's what the main men say
