Maybe life is like a ride on a freeway
Dodging bullets while you're trying to find your way
Everyone's around but no one does a damn thing
It brings me down but I won't let them
If I seem bleak
Well you'd be correct
And if I don't speak
It's cause I can't disconnect
But I won't be burned by the reflection
Of the fire in your eyes
As you're staring at the sun
When I ran I didn't feel like a runaway
When I escaped I didn't feel like I got away
There's more to living than only surviving
Maybe I'm not there, but I'm still trying
Though you hear me
I don't think that you relate
My will is something
That you can't confiscate
So forgive me, but I won't be frustrated
By destruction in your eyes
As you're staring at the sun
