Goodbye my friend you've messed up again  
You're going to prison you're off to the pen  
You've gotten off easy so many times  
But I guess no one told you how to get a life  
The judge wasn't lenient like he was before  
You got three to five and a kick out the door  
The public defender really did try  
Too little too late you didn't get a life  
Hey in Walla  
I'll see you in Walla Walla  
Slap on the wrist? Well not this time  
Hey, in Walla  
I'll see you in Walla Walla  
Folsom prison is the destination  
Hey, in Walla  
I'll see you in Walla Walla  
Slap on the wrist? Well, not this time  
In the scheme of life, we're all just brothers  
Rehabilitate with all the others  
Well, I'll see ya  
That car looked so tempting, so easy to drive  
Just like that apartment that you burglarized  
You started to run, but didn't get far  
Cause under your arm was a VCR  
Ho ho, not this time my friend  
You'll be in lockdown by ten  
I'm afraid you can't talk your way out of this one, son  
Now four walls are your 24-hour-a-day, constant  
companions.  
Hey, in Walla  
I'll see you in Walla Walla  
Slap on the wrist? Well, not this time  
Hey, in Walla  
I'll see you in Walla Walla  
Folsom prison is the destination  
Hey, in Walla  
I'll see you in Walla Walla  
Slap on the wrist? Well, not this time  
In the scheme of life, we're all just brothers  
Rehabilitate with all the others  
Well, I'll see ya

Have a nice life
