kung fu sample in Mandarin [Chorus: MoeRoc (Ace)]
Take note, everybody playing the land (We making magic, it's them yellow jackets) Wait, see money rather stay in his place (The bees are flying, the bees are swarming) Make, something happen out of nothing, we all shine (We making magic, it's them yellow jackets) Hate, what they don't understand, but keep clear Cuz The Swarm is coming [MoeRoc] Razor Sharp from the intro, laying the plan down The Killa Beez swarm, you be screaming out man down Front, we gon' tear it down, body, I'm airborne Death be the sting, and I'm wearing the damn crown Top floor, we the kings of the earth It's MoeRoc, shorty, give me all that it's worth Came a long way, no stains on my shirts And we look so clean, but we came from the dirt Down from the bottom, born out in Brooklyn Was raised out in Harlem, but you don't want no problems Make money in the mind of the customer College educated with the grind of a hustler Too swift for whoever's against me Linked up with Power and the rest is history In the fight with the spirit of Ali Float like a butterfly, hit 'em like Killa Beez [Chorus] [Ace] Yeah, hit up gun very young My momma know I, sold jums, but was still a good son Did alotta dark things in them slums I hung Over chicks and funds, we heard them shots rung, yo Yeah, yeah, my conscience stay equality These streets father me, like Guli' in privacy City's ups and downs, I touch bricks and touch pounds Then get indicted, that's why I don't fuck around I gave the grams up, I came home and manned up Put this in your Maranda, your boy Ace'll stand up I'm not a quitter, actually a great fighter The more you doubt me and hate me, my light shine brighter Yellow jacket magic, Ace and Bobby pack it Get that cabbage and then we stash it It's a Wu-Tang gold rush, been had the game soaked up Watch The Covenant blow up [Chorus]
