Oh, have I been too discreet?  
How long am I supposed to wait?  
I think about you nightly  
Oh, can you tell I'm losing sleep?

Oh, what am I supposed to do?  
It's hard to stay cool  
Oh, when you smile at me  
And I get nervous every time you speak

My bed's too big for just me  
When you turn your eyes  
I promise I won't care  
Oh, standing by your sister fair

Oh baby, baby, baby, please  
My heart sinks to my feet  
Oh, what am I supposed to do?  
I think about you nightly

My bed's too big for just me  
When you turn your eyes  
I promise I won't care  
Oh, standing by your sister fair  
Oh, standing by your sister fair  
Oh, standing by your sister fair

When I look into your eyes  
I tend to lose my thoughts  
Don't forget your stare  
Oh, what was that you said?

Would you let me know?  
'Cause I can't read your mind  
Oh, can you tell?  
I can't even explain  
Oh baby, I can't even explain

Oh, what am I supposed to do?  
It's hard to stay cool  
Oh, when you smile at me  
And I get nervous every time you speak

Oh, standing by your sister fair

Oh, standing by your sister fair

Oh, standing by your sister fair
