All my days
Down the Neck
When I'd awake
I'd fall through

Wanna be there
Could've been more
Suddenly thought

I'd know I wasn't fair

Wanna be there
Could've been more
Try to erase

Peace is all I'm hoping for

And when I dream, it's not of you, no
And when I call, I wonder, I do
I run, yeah I run, but you follow, oh, oh
And when I dream, it's not of you

I ride the dogs
On the lake
Under the lights
A frozen breeze

Wanna be there
Could've been more
Suddenly fall

Don't change, don't change

Wanna be there
Could've been more
Help me to find

Won't you pray for my release?

And when I dream, it's not of you, no
And when I call, I wonder, I do

I run, yeah I run, but you follow
Drop to my knees but you haunt me more
And when I dream, it's not of you

What do you need to claim a victory?
Now every light that I leave on
Does it have an end that you see?

And when I dream, it's not of you, no
And when I call, I wonder, I do
I run, yeah I run, but you follow
Drop to my knees but you haunt me more
And when I dream, it's not of you
