[Verse 1:]

There is nothing wrong with a cyber-skin  
Critical caress after inner sin  
Will I get a cure for my loneliness?  
Who is going to share my last breath?

E.V.O. Å- 3!

And I am ready to believe  
Opens the source of all  
And I receive forbidden joy

[Chorus:]

Cyber Lover  
Is ALWAYS waiting for me  
Is ALWAYS waiting for me

[Verse 2:]

Ready? She always is!  
As a priest to remit a sin  
Ready and always will  
I can realize she'll never stop for me

Turn on the love machine  
Let me dream the greatest sodomy  
E.V.O. Å- a sonic queen  
Make me realize that life is not for me

[Chorus]

Cyber Lover  
Is ALWAYS waiting for me  
Is ALWAYS waiting for me  
Cyber Lover  
Is ALWAYS waiting for me  
Is ALWAYS waiting for me

[Verse 3:]

When I get you  
I get wet you  
Weak to start again  
But you can

Can't restrain you  
Or repair you  
Late to shut you down  
Cause it's aching - AAAAA!

[Chorus]
