Chorus

Sorry I lied to u
But Im not sorry
That I fell deep
In love with her
So baby
Do what u gotta do
I said Im sorry I
Lied to u
But Im not sorry
That I fell deep
In love with her
So baby
Do what u gotta do

I was always on the phone in the bathroom
You were always in the kitchen at the sink
Girl I was always tryna find a way to tell you
Im havin relations and its gettin kinda deep
Now even though weve been together for a long time
Girl you know and I know things are not the same
Before we go on any longer wasting all this time
I gotta let you know Im bout to make a change Im...

Chorus

You were always in the bedroom watchin tv
I was always downstairs on the couch
While you were always undecided on a movie
I was always tryna get up out this house
And then I noticed how you always went to sleep
When it was time for you to give that ass to me
And then you wonder why a brotha wants to creep
Well its time to let you know I got someone who feels
me

Chorus

Somethings goin on
Somethings goin on where did we go wrong
What happened to the love I used to get at home

You be on my mind used to be my dime
Used to spend time talkin on the phone
But now that things have changed
Im jumpin in my range
And rollin out

Chorus
