Te wo tataite ore wa sore wo yonde  
Tsukamaete yamiyo ni houridasu  
Naitatte dame da yo, nigerarenai yo  
Mondoriutte dekunobou no hachigatsu

Ikanaide kure! Kienaide kure!  
Nami ga oshiyosete nami ga satteyuku  
Hoshi wa matataku, ha wa shigeru  
Namidagunderu bakayarou no hachigatsu

Yume wo katate, yami wo katate ni furimawasu  
Manatsu no kousaten  
Ore wa chi da, ore wa hana da  
Ore wa sonzai da, mujinzou no hatsunetsutai da

Fumidashite korogatte  
Sou!  
Hora  
Te no naru hou e!

Yakete warera ni terikaesu  
Kurutta you na enajii takeritatsu enajii  
Sekai wo, ore wo yakiharau  
Kurutta you na enajii takeritatsu enajii

Yume wo katate, yami wo katate ni furimawasu  
Hakuchuu no kousaten  
Ore wa chi da, ore wa hana da  
Ore wa sonzai da, hakai muzan hachigatsu
