...Boss... Lady

Clap Back Clap Back Clap Back  
Don't think cuz I'm a female I won't clap back  
Clap Back Clap Back Clap Back  
Don't think cuz I'm a female I won't clap back

Keep that shit in my purse  
Send you home in a hearse  
Baddest one in the 'hood  
Damn I wish a nigga would  
Pull it off if you could  
But you scary  
I tweet about you on my blackberry  
This is for the real bitches like me  
You think you hear me comin' but you can't see  
No need to speak up  
They need to creep up  
They need to turn around  
And shut the fuck up

Clap Back Clap Back Clap Back  
Don't think cuz I'm a female I won't clap back  
Clap Back Clap Back Clap Back  
Don't think cuz I'm a female I won't clap back

Boss Lady in this bitch  
So why you runnin'  
Shoulda been ready  
You knew it was comin'  
Talkin' shit-why you lyin?  
Don't 'Hey Boo' me  
I'll send you home cryin'  
And now you sighin' you's a fake-ass nigga  
You behind this plaka plaka trigga  
What you know about loyalty?  
Not a damn thing  
If I gave you my back  
You would stab me  
Can't trust anyone but my big ones  
You late, too slow - so put your shoes on

He said, she said, go ahead and quote me  
I'll always be the same so you'll never ever change me  
You's a trick - a snitch - a little bitch  
You don't scare me with your weak-ass threats  
So don't start none unless you want some  
Bitch goes so hard you put your vest on

Clap Back Clap Back Clap Back  
Don't think cuz I'm a female I won't clap back  
Clap Back Clap Back Clap Back  
Don't think cuz I'm a female I won't clap back
