Straight from my home  
Late at night  
By the back door

Search for a light  
That might show me the way

Shotgun in hand  
I left a three time loser

A face that was seen  
But not going to see

Unchain my hands  
Now I've got my freedom

Highways I've roamed  
Looking for the distant faces  
Gold on the border  
And silver in my hands

Meantime I stay  
Alone and never changing  
And if I did  
No one got in my way

Unchain my hands  
Now I've got my freedom
