### "THE SNIFFER"

Visit "[THE SNIFFER](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Each morning when he wakes up  
from a nightmare sleep  
He rushes into his reality  
Then his head is full of duty, law and discipline  
Injunctions, orders, punctuality

When he leaves the house  
the sun could shine - he wouldn't see  
Cause he only has one reason why he lives  
Everybody is suspicious - that's his destiny  
And for many years his passion is - to sniff

Sniff at crooks, sniff at freaks  
Sniff at snotty dough  
Sniff at reds, sniff at queers, sniff at fools  
Sniff at minds, sniff at hearts  
Sniff at snuffy souls  
Sniffy sneaks - never sniff at their rules

Sometimes there are moments  
when he thinks about his life  
Is it right when he fights for the principles  
others made for him  
He has many answers - knows how to defense himself  
He can't change, start again, he's a prisoner  
even locked in his dream

Well  
he's sniffing everywhere and taking photographs  
When people meet he hides behind a tree  
And he waits behind the curtains  
when they fight for love  
A snapshot to protect "democracy"

When he does his job - the sun could shine he wouldn't  
see  
Cause he only has one reason why he lives  
Everybody is suspicious - that's his destiny  
And for many years his passion is to sniff ...

Sniff at crooks, sniff at freaks

Sniff at snotty dough  
Sniff at reds, sniff at queers, sniff at fools  
Sniff at minds, sniff at hearts  
Sniff at snuffy souls  
Sniffy sneaks - better sniff at your rules
