Seems I've got to have a change of scene  
Every night I have the strangest dreams  
Imprisoned by the way that it could have been  
Left you on my own or so it seems  
I've got to get away before I start to scream  
But someone locked the door and took the key

Feeling alright  
I'm not feeling too good myself  
Feeling alright  
I'm not feeling that good myself

Well, boy you sure took me for one big ride  
And even now I set and I wonder why  
That when I think of you I start myself to cry  
I just can't waste my time, I must keep try  
Gotta stop believing in all your lies  
'Cause there's too much to do before I die.

Feeling alright  
I'm not feeling too good myself  
Feeling alright?  
I'm not feeling too good myself

Don't you get too lost in all I say  
At the time I really felt that way  
But that was then yes and now it's today  
I can't get set so I guess I'm here to stay  
Till someone comes along and takes my place, yeah  
With a different name, yeah and a different face

Feeling alright  
I'm not feeling that good myself, whoa  
Feeling alright  
Hey, I'm not feeling that good myself.

Feeling alright  
I'm not feeling too good myself  
Feeling alright?  
I'm not feeling too good myself

Feeling alright  
I'm not feeling too good myself  
Feeling alright?  
I'm not feeling too good myself
