Smiling faces sometimes
pretend to be your friend
Smiling faces show no traces
of the evil that lurks within

Smiling faces, smiling faces sometimes
They don't tell the truth
Smiling faces, smiling faces tell lies
And I got proof

The truth is in the eyes
Cause the eyes don't lie, amen
Remember a smile is just a frown
turned upside down, my friend

Now listen
Smiling faces, smiling faces sometimes
They don't tell the truth
Smiling faces, smiling faces tell lies
And I got proof

You better beware of the handshake
And you beware of the pat on the back
It just might hold you back
Jealousy, misery, envy, I tell you

You can't see behind smiling faces
Smiling faces sometimes
They don't tell the truth
Smiling faces, smiling faces tell lies
And I got proof

Your enemy won't do you no harm
Cause you'll know
where he's coming from
Don't let the handshake
and the smile fool you
Take my advice
I'm only trying to school you

Smiling faces, smiling faces sometimes

They don't tell the truth
Smiling faces, smiling faces tell lies
And I got proof (2x)

Can I get a witness
