Everybody says that my mind's twisted  
Plus when I'm homeless my phone number is unlisted  
I ate your bitch pussy till my tongue ?  
John L. Sullivan, street fightin ? fisting  
My 4 days in California, we have to warn ya  
Smack cats that don't like rap like Time Warners  
Straight up sinners, break 10 Commandments  
???, God probably hate us  
RA the Rugged Man out in Cali, that's the latest  
Why the fuck bitches don't date us?  
Who give a fuck, we pay for it  
You want mercy? Ask Marvin Gaye for it  
My head turns grey for it  
I make my own way for it  
Now why they want me dead?  
I'm to get bloodshed, you remember?  
Get it to ya head, caucasian  
Like all serial killers  
Durdy Crusty, that's the click  
Certified bloodspillers, motherfuckers  
We backstabbers like OJs  
??? get this money back like my old days  
Hopefully, they got dope for me out in Cali  
Let's see any MC flow for me  
Art official, smack you up with the pistol  
Let me see ??? to  
Ain't nobody miss you  
Sing it

[Chorus 2X]

Think again, dead man never blink again  
(Think again, dead man never blink again)  
Your heart stop, never beat again  
Think about that till we meet again, 'gain

I be the rugged fly guy  
The do or die guy  
I be like Guy sayin "Papa"  
Keep on to my eye  
They wanna stop me, blast my chest  
You might have seen me on the Channel 5 loose

Wearing my bulletproof vest  
Plus my pocket is forever ?  
RA the Rugged Man aka Larry Flynt  
aka Larry Holmes, peep the reach  
It must be 81 inches  
White like ? offences, ? is offensive  
Your rap style's not impressive  
Knock you out senseless  
Death Wish, Vigilante  
Bronson, Paul Kersey  
Re-endorse me, who cursed me?  
JD Walker, fat bitch stalker  
Awkward, out in Cali  
Or peep this New Yorker  
Torture chamber, we pull out the flamer  
Gon' be slayer for real  
Fuck bein a player

[Chorus 2X]

Think again, dead man never blink again  
(Think again, dead man never blink again)  
Your heart stop, never beat again  
Think about that till we meet again, 'gain

Now what the deal baby?  
Keep it real baby  
Now we pack steel baby  
Am I crazy? Maybe  
I be R-u-g, g-e-d  
Hated like L-A, P-D  
Who we? Rugged Man plus Overdose producer  
Play us too close, we shot ya (that's right)  
Now who wanna die like Princess  
Why you fuck with my family, like incest  
1998, annual sinfest  
Lyrically there's not too many been blessed  
I'm a sinner, but everybody sinnin  
Ain't no pretendin, I'm cursed  
But we've been cursed since the beginning

[Chorus 2X]

Think again, dead man never blink again  
(Think again, dead man never blink again)  
Your heart stop, never beat again  
Think about that till we meet again, 'gain
