Yo, ayyo, I don't care what the people say  
I'm a piece of shit, I'ma live my life this way  
I'm a total fuck up, my whole album sucks  
I spent half my advance gettin cock sluts cocked up  
If the bitch won't fuck she'll get chocked up  
I went double platinum last month, then I woke up  
When I was young I was a loser, but now I'm grown up  
There ain't shit changed on, still broke as fuck  
Oh, that there's the Rugged Man, he's a troublemaker  
It's like work, Human Beatbox Bub will take ya  
We double hate ya  
See what these drugs are made of  
Brought the dildo, you love the rubbernator  
At the Academy Awards with Angelina Jolie  
Ask her, the winner is the White Trash O.G.  
Rugged Man, ??? Mayweather, Shane Mosley  
"That's that dirty motherfucker!", yeah, you know me!

[Chorus]

Ayyo, some people believe I'm fucked in the head  
Some people believe I'm better off dead  
Parents please don't let your kids listen to me  
They might break out in the school, pull they dick out  
Pull the full feoff out  
Be like "Mister School Teacher, I ain't gotta do shit  
now!"  
(Sit down, you, sit down)  
Yeah, I'm mad negative, you want positivity?  
Buy a Mos Def and Talib Kweli CD  
In the music biz, Rugged Man known for his freaks  
Used to bring groupie bitches up to fuck Mobb Deep  
I brought Biggie Smalls to the Long Island "Whore Pit"  
He boned the bitch in the bathroom and broke the toilet  
Yeah, you said it, I'm a little bit strange  
I don't think rational, I got no brains  
I'm the last american hero  
Real weirdo, real zero  
Real deal, "Die Rugged Man!"

[Chorus]

I'm like John Rifkind, stickin Nicole Kidman  
Fist fuck, stick my whole fist in  
I'm crazy but they won't listen, these hoes are trippin  
Go diggin hoes, coke up they nose sniffin, I'm cold  
pimpin  
Oh, I am the one that they say is crazy  
Make way, the R.A. hateway  
Make sure they pay, may lay  
They say we crazy, make way (make way)

[Chorus]
