(Outro)

Take a piece of America back
It's called truth

(Talib Kweli)

We the last of the vintage flowers, we carry it on our
shoulders
I keep my friends close and the devils a lot closer
When the freedom riders approach 'em, they
appetizers for vultures
Soldiers of fortune are never no match for soldiers of
culture
My flow is so fucking honest, you said you wanted to
hear it
You're lying, 'cause all you wanted was for me to lift up
your spirits
The truth is too fucking ugly, and trust me, the shit's
got layers
So touch me, you think you tough?
I'll leave you as toothless as rugby players
I'm sufi to soothsayers, discussing the true saviors
We move with the gangsters, you niggas sweeter than
fruit flavors
The booth slayer, proving it's futile to hide from us
You misguided as missiles or suicide bombers
Taking orders from the Mullah, waiting for the karma to
pull up
These stones are no match for bullets, Israeli ratchets
are fuller
Got 'em racing to meet Allah like they're chasin em wit
a cop car
Like there's honor in being a martyr and the terrorists
are the rock stars
Dodging the Abu Dhabi or dodging the paparazzi
Still probably as popular as swastikas for Nazis
The cops protect the property properly when they crack
your heads
Murderers get as cocky as Persius when the cracker
dead
I wonder what be running through these crackers'
heads?

And why niggas is spilling more blood
than Cinicantti caps with the black and red
I'll take an Actifed, go back to bed, allergic to the
fumes
I'm having a funeral for the news 'cause the facts is
dead
And trust is gone from the neo-cons to Barack Obama
America eats its young from Casey Anthony to the
Octomom
Fix it and mix it up like marshall law for the octagon
I spit the fire 'til we burn down Babylon

(Bridge)
Take a piece of America back
You will learn
It's called truth

(RA The Rugged Man)
Death by suicide bomb, protestants, Bibles, a Koran, or
Islam
From Genghis Khan to Vietnam I can smell the napalm
Rape victims, ripped stockings
Redneck clan members doing church bombings
Innocent foetus' being aborted with no options
Human governments ruin 'em
Worrying what weapons could be used to be nukin' 'em
Jesus was crucified in Jerusalem
Slaves treated like property, to Pearl Harbor to
Hiroshima to Nagasaki
Adolf Hitler, to every murderous Nazi
To the Gambinos, to the Gottis, to every mafia atrocity
Child pornography, babies starving and dying in
poverty
Serbians fighting Croatians in Yugoslavia
Muslim women being raped, up to 40,000 in the war in
Bosnia
The 50 million killed in the second World War
The government's poisoning the minds and the bodies
of the babies that are born poor
Airplanes blown up by Islamic extremists
In religion there's always drama
Whether worshipping the profit Mohammed or Jesus
More pox than Napoleon's troops dying from typhus
From the Spanish flu to the black plague to the AIDS
virus
Bodies in coffins, political extortions
Racist mobs murdering, Willie Turks, Michael Griffith
and Usha Forkins
Check the murder rate, is it human nature to murder
and hate?
The Catholic church claimed women were witches

and burned 'em at the stake
Pedophile predators attack
And .38 Berettas used by Ghandi's assassin
16 bullets in Malcolm, It happened uptown Manhattan
And the homicide, Reagan, '80s epidemic of crack
And soldiers in action dying in Iraq and never coming
back
And now let's...

(Outro)
Take a piece of America back
You will learn
It's called truth
It's called truth
You will learn
It's called truth
