[Intro]

Life is a beautiful thing  
You just gotta get, through it  
Yo, yo it's me  
Nah, Legends never die...

[Verse]

I'm back the dip-dip-diver, warrior, industry fighter  
Film producer, director, screenwriter, legendary  
rhymer  
Congrats I bring you a classic for the fans that  
supported  
I give you props if you ain't stole it and you actually  
bought it  
If not, purchase it today and own it  
A brand new R.A. the Rugged Man album this is a  
historical moment  
A hip-hop artist with a hundred percent creative  
freedom  
Million dollar budgets and corporate endorsements we  
dont need 'em  
Anyone dissing go listen to them industry puppet  
musicians  
This for Hip-hop heads everyone else fuck your  
opinions  
This ain't generic pop novelty Rap I'm reigning  
supreme  
You're 'bout to hear a level of skill you won't hear in the  
mainstream  
This is writing rhymes in notebooks  
Venomous bars, boom bap beats  
Murderous scratching beatboxing and dope hooks  
Analog, two inch reel, boom boxes and tape recorders  
This ain't trippy emo rapping or girly acting  
skateboarders  
This ain't about Hollywood fame or chart positions  
It's about credibility of being one of the great  
technicians  
No internet nerds, trend following critics or dick lickers  
No fake image or gimmicks just vivid pictures and  
lyrics

I'm not the most known but commercial rappers can't  
compete  
I make records for the shepherds and not for the sheep  
Not impressed you'll be impressed soon  
Lets get it started like Kool Herc did in that Sedgwick  
Avenue rec room
