I've shed too much tears  
I've bled too much blood  
And I'm sick of just sitting waiting  
Saying sorry to everything I do  
But tonight is different  
Tonight all that's gonna change  
It's not gonna happen anymore

Cause tonight I'm unstoppable  
Tonight I'm invincible  
Tonight I can take on this world all by myself  
Yes it's possible  
Cause tonight I'm unstoppable

I've often wondered what the world would be like  
If everyone did what I said  
I often wondered would it all be fun and games  
So let's find out cause tonight I'm feeling strong  
Tonight's the night that I get what I want

Cause tonight I'm unstoppable  
Tonight I'm invincible  
Tonight I can take on this world all by myself  
Yes it's possible

Oh  
Tonight I'm unstoppable  
Yes it's possible to take on the world all by myself  
Cause tonight I'm unstoppable  
Tonight I'm invincible  
I'm feeling strong I'm feeling like tonight  
Will be the first time that I get what I want  
Cause tonight I'm unstoppable  
I'm feeling invincible  
Cause tonight I'm unstoppable  
(I'm feeling unstoppable)  
Tonight I'm invincible  
(I'm feeling strong)  
Tonight I can take on this world all by myself  
(It's not impossible)  
Yes it's possible

(I'm feeling incredible)  
Cause tonight I'm unstoppable

Tonight I'm feeling invincible  
Tonight I'm feeling strong  
Tonight I'm... Unstoppable
