I wanna make you smile
Whenever you're sad
Carry you around when your arthritis is bad
All I wanna do
Is grow old with you

I'll get your medicine
When your tummy aches
Build you a fire if the furnace breaks
lot could be so nice
Growing old with you

I'll miss you
Kiss you
Give you my coat when you are cold
Need you, feed you
Even let you hold the remote control

So let me do the dishes in our kitchen sink
Put you to bed
When youve had to much to drink
Oh I could be the man
Who grows old with you

I wanna grow old with you
