She so fine, shorty she so fine  
Shorty she so fine, shorty shorty she so fine  
She look good, she look good, she look good, she look  
good

[Hook - Chamillionaire (Rasaq)]

I got hoes, I got so many hoes (I'ma playa - I-I'ma  
playa)  
Callin' on my phone, nah they won't leave me alone  
(I'ma playa - I-I'ma playa)  
Brown-skin, red-bone, yellow bone (I'ma playa - I-I'ma  
playa)  
Comin' to my home, they scream and they moan (I'ma  
playa - I-I'ma playa)  
(repeat 2x)

[Rasaq]

I got so many hoes, they scream and they moan  
They see me on that chrome, no they won't leave me  
alone  
They hit me on my celli', I got yella's lookin' gritty  
Knock em' down with the KY Jelly, tat my name up on  
they belly (Da-Da-Damn Homie!)  
I'm slidin' on Parelli's, choppin' the block up like confetti  
Candy paint, thick and heavy, got more mack than  
Makaveli  
If she jazzy or she sexy, or spanish or speakin' plenty  
Bet she gettin' in my Chevy, turnin' my head into  
spaghetti  
I'm ready, change my telli's, screens on watchin'  
R.Kelly  
Candy paint same color as jelly, cuttin' the block up like  
machete  
Tippin' chans up in my belly, while I'm grindin' gettin'  
my 'fetti  
Deuce-Fours under my Corvetti, swangin' and grippin'  
the wheel steady  
Courvosei' mixed with my Henni', big faces on top of  
my twenty's  
Never had no use for no pennies, all about my dollars  
and Benji's

Haters lookin' envy, bought my girl Prada and Fendi  
Piece and chain cost me bout 10 G's, white-t's and no  
Pelle Pelle  
Diamonds in my Benzeli', I don' hollered at Halle Berry  
Knocked her down and popped that cherry  
Man-Man, yall boys is scary hold up..hold up baby
