Hey when a nigga contemplating and hating, on minor complications

One of the problems I'm facing, they often mistaken

What's his occupation, where's his job location

Is that not a knot in his wallet, if I'm not mistaken

While they concentrating on dollas, I'm making

I'm moving further up the line of success, and the longer they waiting

The longer they chasing, they paper in the process of making

Anticipating, but often and often they waiting

And I'm skating in a drop on some daytons, X-Box and a 'Station

Moving up the block, the boppers is chasing

Calling the kid plotting to date him, and since he got so much love

I ain't gon lie nigga, hey somebody gotta hate him

Could of been you hating on me, cause you saying it could of been me

But if you turn that M on that me, nigga it's saying it could of been we

It's saying it could of been we nigga

[Hook - 4x]

They gon hate us, they gon hate us

They gon hate us, haters gon hate us
(*talking*)

Y'all look out for that "Wipe Boyz Down"

That boy Cam bout to drop another one called

"Until the Clip Is Empty", still busting at you boys man,
